PRO

Pro White HPI 30 - Matt White Synthetic Paper 270 gsm/185 μ

Pro White HPI30 is a 270gsm/185 micron synthetic paper, optimised and certified for HP Indigo digital printing presses.

Compatibility:

Suitable for most HP Indigo digital printing presses, both one-shot and multi-shot.

Applications and characteristics:

It is an ultra-durable and very resistant matt white synthetic paper that will bring your colour gamut to life! No need to apply a primer as our Pro HPI30 is already coated and ready for printing.
